

# **TAHOE TRIPS & TRAILS**

## **Private Mountain Biking Tours**

Lake Tahoe is a cyclist's heaven. Treat your group or yourself to panoramic vistas, miles of forest roads and some of the best trails in the west. Choose a ride suitable for the never-ever biker who wants to experience the thrill of mountain biking for the first time or a more difficult ride such as the famous Flume Trail. We will work with you to choose the trail(s) that fits your group's needs. Let us take care of everything.

Tours include:

- Front- and/or full-suspension mountain bikes
- Guides knowledgeable in the flora, fauna, geology and history of the area
- Guides certified in first aid and CPR
- Instruction on the latest riding techniques
- Transportation to and from trailhead
- Bottled water, snacks and post-ride refreshments
- Use of our day packs
