

TAHOE TRIPS & TRAILS

Private Hiking Tours

Lake Tahoe's bright blue, amazingly clear waters are cradled by secluded bays and surrounded by hundreds of miles of unspoiled trails and mountain peaks. The skies are deep blue and can be cloudless for weeks on end. It's truly a hiker's dream getaway.

Whether your group has a few hours or an entire day, we can customize a hike that you will love! Our company is used to working with varying abilities and, depending on your group size, we can offer several different hikes from which the members of your group can choose. Call us today for a customized tour!

Tours include:

- Guides knowledgeable in the flora, fauna, geology and history of the area
- Guides certified in first aid and CPR
- Transportation to and from trailhead
- Bottled water, snacks, and post-hike refreshments
- Use of our day packs
