

TAHOE TRIPS & TRAILS

Teambuilding Activities

If your group is interested in a teambuilding event, we can provide an agenda that fits your needs.

Choose from a day (or partial day) of traditional teambuilding activities in a beautiful setting or one of our more zany teambuilding events that may include costumed centipede challenges and hash races.

For an event that is less physically challenging, try our town-oriented photo challenge and scavenger hunt.

Call us to let us know your group's needs and we will create the perfect teambuilding event.
