Yosemite Hiking

If you like to hike, this trip is a must! Join us for a memorable tour of one of America's most prized National Parks. The scenery is spectacular.

Highlights:

- Yosemite Valley
- Glacier Point
- Nevada Falls
- Tuolumne Meadows
- Giant Sequoias

What to Expect:

Yosemite National Park is a hiker's dream. On our five-day tour we will visit several different regions of the Park, allowing us to experience all that the Park has to offer. From our meeting point we will travel north to historic Fish Camp just outside the southern boundary of the Park where we'll stay in a first-class resort for the first two nights. From this southern base we will hike among the famous giant Sequoias, an incredible experience no matter how many times we do it!

We'll spend the final three nights right in the heart of Yosemite Valley. We will hike in and above the stunning Valley where Half Dome, Glacier Point and El Capitan loom large above us. We'll hike to the top of Nevada Falls, gaining views of the entire Valley below us as well as the granite domes above us. No trip to Yosemite would be complete without a visit to Tuolumne Meadows and a hike on the John Muir Trail, the most famous section of the 2,000-mile Pacific Crest Trail.
